

About Institution

Rajeev Education Trust (R) was established by Dr. V. Rajeev in the year 1998. The trust started its activities by establishing a Nursing college in the year 1999. Now the trust is running Engineering, Polytechnic, Ayurveda, Nursing, Paramedical, Pharmacy, Allied Health Sciences, Physiotherapy and College of Education.

Rajeev Institute of Ayurvedic Medical Science and Research Centre was established by Rajeev Education Trust, Hassan in the year 2019.

The college intends to provide the International standards of academic and research facilities to aspiring students.

The institute aims to provide quality education and health services to the public. Rajeev Ayurveda Hospital pledges to adopt and attain healthy life style through Ayurveda.

In-patient department of the hospital is having 60 beds with separate male and female general wards, semi-special, special and deluxe wards.

Hospital offers services from skilled doctors and well trained staff nurses in IPD and OPD. Pharmacy, Physiotherapy, Yoga and Diagnostic services are available round the clock.

SHALYA KOUSHALYA - 2022

Dear Friends,

To develop and update surgical skills, now a days, its need of hour for postgraduates and practitioners to update and upgrade their knowledge with latest development in the field of Ano-rectal surgeries.

Two-day demonstration and interaction sessions will help to provide two way communication. There will be live demonstration of surgical procedures with updated techniques and case discussion with eminent faculties. Therefore this programme will provide excellent opportunity to participate and interact with experienced surgeons.

Papers and posters are invited from researchers, practitioners, academicians, PG scholars and UG students.

Abstract should not exceed 250 words (font 12, Times New Roman), poster size 130 cm(h) x 90cm(w)

We invite you for this skillful and creative programme.
